

ICEC30/ICMC 2026

June 22-26, 2026

Daejeon Convention Center (DCC), **Daejeon, Korea**

Company Name	Lihan Cryogenics Co.,Ltd.	Company Logo
Address	3/F, Bldg.4, Pingshan Minqi Industrial Park, Lishan Rd., Nanshan,Shenzhen, GD518055, China	
President	Haibing LI	
Website	www.lihan.com	
E-mail	mailbox@lihan.com	
Telephone	+86 755 26985788	
Fax	/	
Exhibitor Introduction	<p>Lihan Cryogenics Co., Ltd. specializes in R&D, manufacturing, and customized solutions for cryogenic refrigeration technologies. Our Stirling and pulse tube cryocoolers operate from 10K (-263°C) to 200K (-73°C), delivering milliwatt to kilowatt cooling capacities for applications like infrared imaging, nuclear detection, atmospheric monitoring, superconducting systems, biomedicine, and gas liquefaction, with strong market recognition. We provide high-quality, reliable, and innovative solutions to empower customer success.</p>	
Exhibit Description	<p>Manufacturer of Stirling, pulse tube, and hybrid cryocoolers, as well as integrated cryogenic cooling modules, featuring compact design, low vibration, high efficiency, and long operational lifetime.</p>	
Exhibit Product	<p>77K Cryocooler, 30K Cryocooler, 15K Cryocooler</p>
